April 1, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for East Shore Leadership Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Deanna Keller at 810-294-8040 for assistance.

The AER is available for you to review electronically by visiting the following website https://goo.gl/JkG9Yl or you may review a copy in the main office at your child's school.

First and foremost, this was East Shore Leadership Academy's first year of operation. One of the school's key challenges are students that have enrolled from the surrounding area whereby the transient percentage is extremely high in regard to student/family turnover due to moving.

In regard to the M-STEP Combined Report our challenges are in the area of math as indicated in the student scores as follows:

ELA

3rd grade 66.7% proficient

Reading

4th grade 38.5% proficient 5th grade 39% proficient

Math

3rd grade 58.3% proficient 4th grade 7.7% proficient 5th grade 9.1% proficient

Social Studies

5th grade 0% proficient

4th grade 7.7% proficient

Key initiatives that were implemented to close any of the above achievement gaps are extra tutoring by math and reading intervention teachers through Title I and a specialized online reading program, Lexia Core 5, that offers immediate results which align with NWEA. East Shore Leadership Academy has also emphasized additional professional development training for teachers to keep them current with up-to-date strategies related to the delivery of instruction in all core areas with the end in mind of increasing student achievement.

State law requires that we also report additional information as seen below:

- PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL East Shore Leadership
 Academy has a two-week enrollment period in March. Should there be more students
 than space available, a lottery procedure takes place to fill the vacant openings. After the
 enrollment period, enrollment is on a first come first served basis.
- 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN
 East Shore Leadership Academy has completed their first year of operation. The School
 Improvement Plan focuses primarily on increasing student achievement in all core
 academic areas by providing extra support services for students identified as at risk for
 failing. The school is small and teachers and members of the School Improvement Team
 work together to analyze performance data to develop meaningful goals, objectives and
 strategies. The team also identifies resources to meet the needs of the strategies for the
 purpose of increasing student achievement.
- A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL East Shore Leadership Academy is not a specialized school.
- 4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL The core curriculum is located on the Michigan Department of Education's website. East Shore Leadership Academy also uses the Curriculum Crafter Tool that was developed by Kent County Schools, which is updated on a continual basis and available to all staff. The Curriculum Crafter Tool is aligned with the Common Core State Standards as well. A copy may be obtained in the main office.
- 5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS This is East Shore Leadership Academy's first year of operation therefore there are not any results for the National Achievement Test. However, ESLA does administer NWEA three times a year whereby all students are showing individual growth in the Reading and Math content areas.

Reading/Math

67% of 3rd grade students met their reading goal 44% of 3rd grade students met their math goal 55% of 4th grade students met their reading goal 73% of 4th grade students met their math goal 70% of 5th grade students met their reading goal

60% of 5th grade students met their math goal

- IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES There were approximately 95% of parents/families who attended parent-teacher conferences.
- 7. East Shore Leadership Academy does not have a high school.

East Shore Leadership Academy's staff and board of directors are proud of the accomplishments during the school's first year in operation. The board as well as staff have completed a lengthy SWOT (strengths-weaknesses-opportunities-threats) Analysis. This has proven to be a valuable benefit as the school moves forward in setting goals and objectives for the upcoming school year.

Sincerely,

Deanna Keller Principal Nancy J. Gardner Superintendent

namp Ladre
