Re: Agreement No. 74900

Dear Ms. Keller:

On March 2, 2021, the Michigan Department of Education (MDE) received your request for renewing its vended school meals contract with CJ's Catering for the 2021-2022 school year and has approved the following:

1. The meal rate for breakfast will increase by 1% from \$1.77 to \$1.78 per meal.
2. The meal rate for lunch will increase by 1% from \$3.07 to \$3.10 per meal.

MDE concurs with the school district's recommendation that the contract be renewed with CJ's Catering for the 2021-2022 school year and be taken to the school district's Board of Education for approval. Once the board approves the contract renewal, a signed copy of the Agreement Page and the Contract Renewal Agreement must be forwarded to MDE for its files. If the school board should make any changes to the contract, these changes must be forwarded to MDE for its approval before the contract renewal can be signed by the school food authority.

The contract with CJ's Catering is for a one-year period from July 1, 2021, to June 30, 2022.

If MDE can be of further assistance to you or your approved vendor, please contact the Food Service Contract Unit staff at [mde-fsmc-vended@michigan.gov](mailto:mde-fsmc-vended@michigan.gov).

Sincerely,

Diane L. Golzynski, Director  
Office of Health and Nutrition Services
